

SASKATOON PETS IN THE PARK

Charity # 85691 9410 RR0001

RE: Sponsorship for Pets in the Park benefits so many homeless and helpless animals of our community

The *Saskatoon Pets in the Park Committee* would like to welcome you to participate in the 6th Annual “*Pets in the Park*” fundraiser to be held Sunday, July 10, 2011. This year’s event will be held at Kiwanis Memorial Park, north of the Bessborough Hotel and across the street from the Sheraton Cavalier Hotel.

“*Pets in the Park*” is a popular summer event in Saskatoon. Attendance numbers are in the thousands and pets joining us are in the hundreds which makes it a very interesting and fun day for all. These funds are donated to local animal welfare organizations: New Hope Dog Rescue, the Saskatoon SPCA and SCAT Street Cat Rescue.

These three organizations help hundreds of animals every year. The funds raised by *Saskatoon Pets in the Park* are used to provide medical care for homeless, sick and injured companion animals; Cats, such as “Icy” a grey tabby cat rescued by SCAT, whose back legs suffered extreme frostbite damage; Dogs such as “May”, a gorgeous chocolate Labrador cross, who limped into the Saskatoon SPCA; and “Charlie”, a beautiful beagle/husky mix, found starving in a campground with multiple poorly healed fractures of his pelvis, femur and tibia and rescued by New Hope.

It is because of contributions, by sponsors such as you, that Icy, May and Charlie are now healthy and strong and in loving permanent homes. These are but three of the many heart breaking stories which are turned into happy second beginnings with the help of funds raised at this event.

We hope that you will consider joining the long list of sponsors and welcome your participation in this charitable and fun yearly event. The PIP committee is encouraging you to coming down on event day and experience the diverse happenings of the day. It’s a day you will not soon forget and all to help the animals.

Thank you on behalf of the homeless animals of Saskatoon.

Sincerely,

Saskatoon Pets in the Park Inc.
